The original Skinny Tinny!

Keeping fit, having fun with the kids or fishing in those hard to get to creeks and rivers has got a whole lot easier with the new Blue Fin Tinoo.

With the strength of a tinny and the ease of a canoe the Tinoo is the ultimate small craft. Light, rigid and stable the Tinoo is easy enough to pop up onto the roof racks of your car and head off for the water.

Available in two sizes the Tinoo can be easily powered by a small outboard or electric motor and a range of accessories are available from your Blue Fin dealer.
